Easily upgrade your TV to DVB-T2

Just a little device is needed to upgrade your TV with built-in DVB-T tuner to DVB-T2. The small and handy DVB-T2 receiver lets you enjoy Free-to-Air programmes in best HD quality. Keep it hidden behind the TV, connected to a free HDMI-port and control it via the enclosed infrared extender. Simply power your device by plugging it into your TV's USB. Record and play back videos, pictures and music files via an external storage device using the USB Y-cable connector. Enjoy further features like storing up to 400 channels, booking of recordings using 7 Day EPG, 4 favourite lists, and many more.

- DVB-T2 Receiver for Free-To-Air TV and radio programmes¹
- Compatible with outdoor and indoor antennas
- IR extender for operation (included in the packaging)
- Powered by USB port on TV
- New tuner technology for excellent reception
- USB port: record TV programmes, Timeshift, play files, update receiver software via USB storage device
- Quick and easy installation & user-friendly menu
- Excellent audio and video quality
- USB power control for power saving in standby mode
- 400 channels memory capacity
- Dolby® Digital Plus² available on HDMI³
